Smart streetlight that makes moving in urban spaces safe even in the darkness of the night! Ideal for driveways, streets, parking lots, and all other outdoor areas requiring safe and efficient lighting. The luminaire is perfectly suited for integration with security cameras (see additional details in the product specifications). Additionally, the luminaire's maintenance process has been made particularly easy - saving on labor and time! This feature is provided by a removable electrical board, making wiring connections exceptionally convenient during installation.
