MAYTONI

Pendant lamp Maytoni Curve gold 42W 2800lm 120° IP20 940

Product code 21260

The Curve series blurs the line between reality and fantasy, with its unique contours creating a dynamic moving light effect. Smooth, rounded lines and discreet cables evoke the illusion of weightless lights floating in the air. The minimalist design is enhanced by simple metal fittings, available in black and brass. This suspended composition serves as a striking accent in living rooms, bedrooms, HoReCa spaces, or above dining tables. Its understated design seamlessly fits various modern styles, from hi-tech and minimalism to loft and fusion. The silicone diffuser along the frame ensures bright, even illumination over large areas. The LED light source offers adjustable color temperature.

Correlated colour temperature	pure white 4000K
Luminous flux	2800lumens
Warranty	3 years
Brand	Maytoni
Output	42W
Lens angle	120°
CRI	90
