REVAL BULB

LED strip REVAL BULB 30LED 1m 12V 7.2W 260lm 120° IP20 RGB

Product code 12666

This colorful <u>LED strip</u> is perfect for creating a cozy atmosphere in dry indoor spaces.

The strip can be extended by soldering. You can connect a maximum of 7-8 meters to one power supply unit.

The back side of the strip has 3M double-sided tape, making installation particularly convenient. For best durability and heat dissipation, we recommend installing it with an aluminum profile.

The specified price is per meter of the strip.

This product requires a power supply unit to operate. You can also find it in the LED house product range!
