

LTECH

LED strip panel + control LTECH SPI-16 + M16 5-24V

Product code 14036

M16 Remote Control

Working Frequency 433.92 MHz

Remote Distance 40-50m

Change mode 16

Dimension L104xW60xH9mm

SPI-16 Receiving controller

Input voltage DC5V-DC24V

Output SPI

Working temperature -30°C~55°C

Dimension L135xW30xH20mm

Weight (G.W)) 47g

compatible driving

Dimensions: 13.2x20cm

Weight (G.W.): 120g

|-----------------------|-------------|
| Warranty | 3 years |
| Brand | LTECH |
| Supply voltage | 5-24V |
| Package weight | 120g |
| Operation temperature | -20°C~55°C |
| Battery | DC3V CR2032 |
| Certificates | CE, RoHS |
