

REVAL BULB

LED panel REVAL BULB D145 white round 230V 9W 810lm 120° IP44 TRIAC 840

Product code 14382

Cutting-edge LED panel with above-average efficiency.

The IP44 protection class means that this luminaire can be used in damp environments. For example, in bathrooms or sauna antechambers.

With the TRIAC dimmer, the LED luminaire can be smoothly adjusted to become brighter or dimmer. .

There are both warm white (3000K) and daylight (4000K) options available.

Its minimalist design blends perfectly with various interiors, whether at home, in the office, or in a business environment.

Improve the quality of light in your everyday life and choose a cutting-edge lighting solution from the [LED house product range](#)!
