Wall light PROLUMEN WL06A black 230V 12W 900lm 120° IP54 830

Product code 14709

A modern design LED wall light that adds warmth and coziness to any room.

Thanks to the IP54 protection rating, the light is more water-resistant than a regular light. The light has an automatic water drainage system at the bottom.

Additionally, the WL06A is very easy to install and maintain thanks to the built-in terminal found at the back of the light.
