

Recessed light Prolumen DL98B UGR19 white 230V 18W 1800lm 90° IP54 840

Product code 14736

Recessed LED luminaire. Ideal for even more humid spaces!

This luminaire is suitable for example in shopping centers, bedrooms, conference rooms, classrooms, living rooms, kitchens, bathrooms, and many other spaces.

Protection class IP54 means that the luminaire is protected against normal dust and splashes from any direction - this feature makes DL98 ideal for illuminating bathrooms and other more humid spaces.

The luminaire adds daylight (4000K) to the room, and the high color rendering index keeps the colors of the areas and objects beneath the light true and natural. This luminaire creates a calm environment for the eye and is also low UGR level!

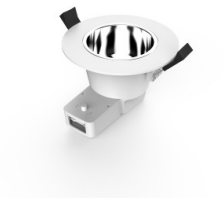

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h).
