Ceiling lamp PROLUMEN DL129 black 230V 10W 1030lm 60° IP20 TRIAC 930

Product code 15102

An elegant square-shaped indoor ceiling light with dimmable functionality.

Suitable for hotels, residential spaces, offices, conference rooms, etc. This light fixture is often installed in stairwells, hallways, and reception areas.

The direction of light is adjustable: 350 degrees horizontally, 25 degrees vertically. Can be mounted on various surfaces (ceiling, wall).

With TRIAC technology, the LED light fixture can be easily adjusted for different lighting scenes, creating cozy light for intimate dinners or brighter light for working purposes.

This light fixture is suitable for indoor use only, IP20 protection rating.

Thanks to CRI90, the LED light fixture is capable of rendering colors naturally, contributing to the overall atmosphere and feel of the space.

Enhance the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
