

Track light PROLUMEN Bristol + Honeycomb filter white 230V 32W 3200lm 36° IP20 930

Product code 15284

The elegantly simple design of the PROLUMEN LED track light makes it perfect for both home use and work environments. The light adds high-quality illumination to the room while keeping the colors under the beam true to life (CRI90).

This track light is intended for indoor use only (protection class IP20). When used properly, the light is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Additionally, the lens is covered by a honeycomb filter, which reduces the glare intensity of the light.
