

LED track light PROLUMEN Bolton black 230V 10W 1000lm 24° IP20 TRIAC 940

Product code 15306

An elegantly designed, medium-sized LED track light, perfect for both home use and work environments.

The luminaire adds quality light to the room while maintaining true colors under the light beam (CRI90).

This track light is intended for indoor use only (IP20). With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

This track light attaches to a 3F track. You can find all the necessary installation equipment in the LED house product range!
