

Recessed light PROLUMEN CL108-6 360x360 4x35W square 140W 14000lm 45° IP20 940

Product code 15395

Directional LED light fixture for commercial spaces.

The IP20 protection class indicates that the luminaire is intended for indoor use only.

All light beams of the luminaire are adjustable. This feature is beneficial for those whose illuminated area may be in motion and the light direction may need to be adjusted accordingly.

This model is available at LED Houses in both warm white (2700K) and daylight (4000K) versions.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).
