

LED track light PROLUMEN Bath + Honeycomb filter black 230V 8W 650lm 50° IP20 930

Product code 15464

An elegantly simple design LED track light. Black in color, compact in size, this LED light is perfect for home use.

The light is designed for indoor use (IP20). The light beam does not distort the true colors of the room (CRI90), and the light temperature of 4000K maintains daylight white light in the room. The light also features a honeycomb filter, which prevents the characteristic glare of bright light.

This LED track light attaches to a 3F track, which is also available in the LED house product range!

Correlated colour temperature warm white 3000K
