

## LED downlight PROLUMEN DL115A black 18W 1890lm 90° IP54 940

Product code 15519

Round-shaped surface-mounted LED ceiling light. Suitable for various spaces due to its simple design.

This light fixture is intended for indoor use only, with an IP54 protection rating. It has an ideal color rendering index (CRI90) for workspaces and offices.

LED lights with a color temperature of 4000K create neutral light, which is ideal for workspaces and kitchens, among other places.

Enhance the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
