**LED module luminaire 1200x300 OPAL STRONG white 230V 36W 4300lm
120° IP20 840**

Product code 15641

The ceiling panel is a stylish and functional lighting solution that fits perfectly into various indoor spaces, including homes, offices, and public areas.

The luminaire is made of high-quality materials, ensuring durability and long-term use.

The light source of the ceiling panel is efficient LED technology, providing bright light and energy savings. The luminaire is easy to install and is ideal for evenly and clearly illuminating spaces.

This ceiling panel is suitable for indoor use only, with an IP20 protection rating.

When ordering the OPAL STRONG ceiling panel, you can choose between warmth temperatures of 3000K (warm white) and 4000K (daylight).

The power supply unit is included in the set!

Improve the quality of light in your everyday life and choose a top-notch lighting solution from [the LED house product range!](#)
