

Spotlight PROLUMEN DL115B white round 230V 25W 2330lm 90° IP54 TRIAC 930

Product code 15873

Surface-mounted LED ceiling light with a round shape.

The IP54 protection class means that this luminaire is protected against ordinary dust and splashes from any direction.

This luminaire has an ideal color rendering index (CRI90) for workspaces and offices.

This luminaire is available in both warm white (3000K) and daylight (4000K) options. For homes, we recommend warm white lights for bedrooms, living rooms, and dining areas. Daylight white may be best suited for kitchens and offices!

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h).

From the LED house product range, you can find several other [ceiling lights](#) that complement this luminaire to create unique lighting effects in your space!
