

## Recessed light PROLUMEN Bon 2x12W black square 230V 24W 1920lm 38° IP20 TRIAC 930

Product code 16008

Recessed ceiling light with two light beams.

The IP20 protection class indicates that the luminaire is for indoor use only.

A higher than usual indicator, CRI90, ensures excellent color rendition and reflection of light colors, and the luminaire adds warm white (3000K) light to the room. The luminaire can be installed recessed into the wall, ceiling, or even into a flat surface.

Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
