

LED track light PROLUMEN Liverpool black 230V 30W 3000lm 36° IP20 930

Product code 16228

High-quality LED track light with Philips power supply!

A higher-than-usual indicator, CRI90, ensures excellent color rendition and reflection of light.

We recommend this warm white light (3000K) luminaire for both living spaces and work environments. The simple design of the LED luminaire blends well with many different interiors!

You can find everything you need for installing track lights in the LED house selection!
