Product code 16426

LAHTI MINI surface-mounted LED luminaire.

Modern and elegant, offering minimalist design that fits various interiors.

This luminaire, with IP20 protection rating, is an ideal choice for home or office environments, providing warm white light at 3000K.

With this LED lamp, you can keep colors true to life in living spaces, making it suitable as the main light source in a room! The lamp body is made of aluminum, in a matte black finish.

The 18W LAHTI MINI is also dimmable (TRIAC).

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

Elevate the quality of your everyday lighting and choose a top-notch lighting solution from the LED house product range!
