

Track light Prolumen Terhill Honeycomb filter black 230V 30W 3000lm 36° IP20 930

Product code 16436

The PROLUMEN Terhill LED luminaire is a practical and stylish choice that enhances any interior. Whether it's for home, office, or commercial space.

This IP20-rated LED luminaire is an ideal choice for home and office environments, providing warm white light at 3000K temperature.

With a CRI90, the LED luminaire is capable of rendering colors naturally, contributing to the overall atmosphere and feel of the space.

The luminaire is equipped with a louver filter, which reduces the glare effect of light and increases the stability of the luminaire's operation.

When used properly, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

Enhance the quality of your everyday lighting and choose a top-notch lighting solution from LED house's product range!
