

## Signal amplifier SKYDANCE EV3 3x6A 12-36V 648W IP20

Product code 16454

|                       |                          |
|-----------------------|--------------------------|
| Warranty              | 5 years                  |
| Brand                 | <a href="#">SKYDANCE</a> |
| Supply voltage        | 12-36V                   |
| Output                | 648W                     |
| Rated current         | 18A                      |
| Protection class      | IP20                     |
| Length                | 175.0mm                  |
| Width                 | 45.0mm                   |
| Height                | 27.0mm                   |
| Weight                | 109g                     |
| Package weight        | 129g                     |
| Casing material       | plastic                  |
| Work environment      | indoor use               |
| Operation temperature | -30~55°C                 |
| Certificates          | CE, EMC, LVD             |
