

LED track light PROLUMEN Bolton with honeycomb filter white 230V 10W 1000lm 24° IP20 TRIAC 940

Product code 16458

An elegantly simple design LED track light. White in color, compact in size, this LED light is perfect for home use.

The light is designed for indoor use (IP20). The light beam does not distort the true colors of the room (CRI90), and the light temperature of 3000K maintains warm white light in the room. The light also features a honeycomb filter, which prevents the characteristic glare of bright light.

This LED track light attaches to a 3F track, which is also available in the LED house product range!
