REVAL BULB

LED strip REVAL BULB 7014 5m 24V 9.6W 245lm 115° IP67 940

Product code 16576

LED strip in silicone - the most effective design element to include in your business and events!

Creates the most exciting and aesthetic lighting solutions! This flexible LED strip can be shaped into various texts, numbers, shapes, and patterns.

Who/what is it created for?
1. For brands and businesses that want to create attractive and eye-catching advertising lighting solutions.
2. For architectural applications to highlight building contours, facade lighting, interior design, stair lighting, space separation, and more.
3. For event organization, LED strips are ideal! They can illuminate the stage, create stage designs, and create a light-playful atmosphere.
4. Industrially, LED strips are used for machine and workplace lighting and for creating safety signs.

The IP67 rated LED strip is suitable for both indoor and outdoor use.

You can be confident in our products as we sell hundreds of meters of LED strips every day! Send us an inquiry, and we will make you an offer!
