Product code 16710

LED wall light for using above the mirror.

The mirror light allows you to change the light temperature with a simple press of a button according to your needs. You can choose between warm white (3000K), daylight (4000K), and cool white (5700K) light.

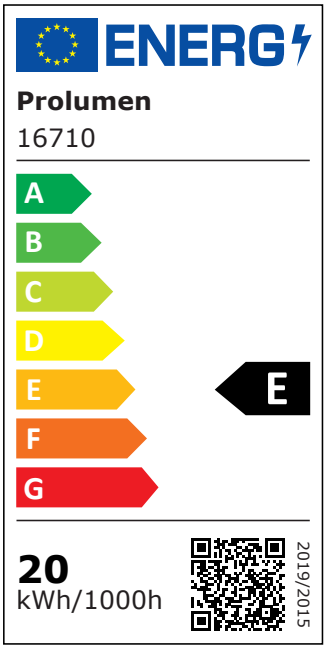

The luminaire is also suitable for the moist environment of the bathroom, with an IP44 protection class.

We also recommend this LED luminaire above the dressing table. A light temperature of 5700K is ideal for beauty procedures and is also preferred by professional cosmetologists!
