Product code 16713

Directional LED luminaire.

This small luminaire fits well in various living spaces, such as the living room and kitchen. The luminaire can be recessed into the wall, ceiling, or surface.

The luminaire's light temperature can be adjusted with a switch located on the luminaire. You can choose between warm white (3000K), daylight (4000K), and cool white (5700K) light.

Thanks to TRIAC technology, the luminaire can also be dimmed.

The IP20 protection class indicates that the luminaire is suitable for indoor use.

Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
