Product code 16908

PROLUMEN Linear S 1500 is a linear luminaire that is installed onto the power track.

This luminaire series offers various power options and configurations, allowing for lighting customization based on specific requirements and room characteristics.

The IP20 protection class ensures durability against dust and minor liquid ingress, making them suitable for various indoor environments such as offices, shopping centers, or homes.

Additionally, there is also the PROLUMEN Linear S 1500 model available, which supports the DALI system, enabling advanced management and control of the lighting according to the needs
