

Recessed light PROLUMEN Chelsea black round 230V 45W 3800lm 38° IP54 DALI 930

Product code 16973

Functional LED under-cabinet light suitable for use in damp environments such as sauna anterooms or bathrooms.

The luminaire is recessed. It can be installed, for example, into the wall, ceiling, or countertop.

The luminaire is also available in LED House's selection with DALI dimming technology. The transmitted light temperature is 3000K (warm white), while maintaining CRI90, ensuring that areas and objects under the light beam are displayed with the most truthful and natural colors.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

Illuminate your world with LED House professionals - check out our project portfolio here!
