

## LED downlight PROLUMEN Caen white 230V 20W 1400lm 50° IP20 DALI 927

Product code 17024

Functional LED under-cabinet light with adjustable light direction.

The luminaire is recessed. It can be installed, for example, into the wall, ceiling, or countertop. The protruding part can be pushed into the recessed part or pulled out and directed in the desired direction.

The luminaire is also available in LED House's selection with DALI dimming technology. The transmitted light temperature is 2700K/3000K (warm white), while maintaining CRI90, ensuring that areas and objects under the light beam are displayed with the most truthful and natural colors.

As the luminaire's protection class is determined as IP20, it can only be used indoors.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).
