

## Recessed light PROLUMEN CL108-6 180x180 square 35W 3135Im 45° IP20 DALI 927

Product code 17062

Directional LED light fixture for commercial spaces.

The IP20 protection class indicates that the luminaire is intended for indoor use only.

All light beams of the luminaire are adjustable. This feature is beneficial for those whose illuminated area may be in motion and the light direction may need to be adjusted accordingly.

This model is available at LED Houses in both warm white (2700K) and daylight (4000K) versions.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

Illuminate your world with LED House professionals - check out our project portfolio here!
