LED ceiling light LED House Dallas 1500 CCT black 55W 6000lm CRI90 60° IP20 3000K + 4000K warm + day white

Product code 17128

Adjustable colour temperature and dimmable office light.

Ideal desk lamp for work, where you can choose the brightness and suitable light temperature yourself.

The luminaire has a prismatic diffuser, which makes working in this light enjoyable and does not strain the eyes.

The luminaire is suspended from the ceiling with two cables, and the height of the luminaire can be adjusted. Light distribution is upwards and downwards, and when the colour temperature is changed, it changes both upwards and downwards.

Facing downwards is a 3000K LED strip 45W and a 4000K LED strip 45W. Facing upwards is a 3000K + 4000K LED strip 23W. LED strip CRI90.

Luminaire control with two buttons located on the housing.

The luminaire is manufactured in Estonia!

Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
