REVAL BULB

LED strip REVAL BULB 108LED 1m can be cut after each LED 24V 18W 805lm 120° IP20 RGB

Product code 17186

High-quality LED strip with a thick circuit board. A unique feature is the ability to cut the strip after each LED, making it ideal for installation in complex situations!

LED strips are flexible and can be easily customized to fit various installation needs and surfaces, such as furniture, shelves, stairs, etc. This RGB LED strip allows for a wide range of colours, including various shades that can be adjusted according to user preferences or the situation.

The specified price is for 1 meter of the strip.

You can trust in our products because we sell hundreds of meters of LED strips every day! Send us an inquiry, and we'll make you an offer!
