

Accessory INTELIGHT Wells central monitoring

Product code 17265

The Wells security light central unit is one of the most user-friendly available on the market!

Designed to manage all security lights in the entire building easily from one place.

The Wells system utilizes the latest security lighting monitoring technologies, making the device as user-friendly and easily configurable as possible.

The device features a touchscreen, a logical menu with various categories, and the option to control it with a remote.
