350° rotatable LED wall light, a stylish addition to your home!

The light beam falls in two directions, and the luminaire can be easily rotated 350° horizontally and 28° vertically.

We especially recommend this stylish luminaire for the bedroom next to the bed, but the WL101 is also ideal for use as mood lighting in corridors or offices.

IP20 protection class allows the luminaire to be used only indoors.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).
