Product code 17398

LED wall light for using above the mirror.

The mirror light allows you to change the light temperature with a simple press of a button according to your needs. You can choose between warm white (3000K), daylight (4000K), and cool white (5700K) light.

We also recommend this LED luminaire above the dressing table. A light temperature of 5700K is ideal for beauty procedures and is also preferred by professional cosmetologists!
