

LED track light PROLUMEN Tokyo + honeycomb filter black 230V 10W 800lm 36° IP20 930

Product code 17499

An elegantly designed LED ceiling light with a honeycomb filter, suitable for both commercial and residential spaces.

Tokyo ceiling lights have adjustable light direction, and unlike many other ceiling lights, the Tokyo model series allows lights to be directed upwards as well.

When ordering a suitable LED track light, the Tokyo model offers the following options:

Color temperatures: 2700-5000K, with the option to adjust the light temperature

Housing color: available in black or white

Beam angle: 15° to 50° Dimming: DALI, TRIAC

From LED House's selection, you can also find decorative golden, black, and white rings for Tokyo ceiling lights to enhance their appearance even further.
