Product code 17621

Recessed LED luminaire for corridor lighting.

Protection class IP54 means that the luminaire is protected against normal dust and splashes from any direction - this feature makes DL98A ideal for illuminating bathrooms and other more humid spaces.

You can find this luminaire model in the LED House product range with both warm white (3000K) and daylight white (4000K) light.

High CRI level keeps the colours of illuminated areas and objects true and natural.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h).
