Montreuil [track light](#) with an elegant matte white design!

Its minimalist design blends perfectly into various interiors, whether at home, in an office, or in a commercial environment.

When ordering the right LED track light, the Durham model offers the following options:

Power: 10W to 20W.

Beam angle: zoomable angle from 15° to 55°.

Color temperature: 2700-6500K.

Housing color: available in either black or white.

Dimming options: TRIAC, DALI.

Thanks to its high color rendering index, this light is ideal for color-critical environments such as photography, filmmaking, design, and other visual creative fields. CRI90 and 97 ensure light that renders room colors truthfully and clearly.

With proper use, the light is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Enhance your everyday lighting quality and choose a top-notch lighting solution from the LED House selection!
