

Floor lamp Prolumen SmartGlow gray 230V 100W 13000lm CRI90 50° IP20 DIMMABLE 2700K-5000K

Product code 17707

An ergonomic workstation light with adjustable colour temperature and a minimalist design that fits any modern office.

The light can be adjusted via a touch screen located on the lamp's body, which also features a digital clock. The screen is positioned at a height that allows use without standing up from the table.

The SmartGlow light illuminates both the desk and the room - the beam is directed both downwards and upwards. Both light directions can be adjusted individually.

SmartGlow's UGR value of 6 is exceptionally good. This means that the light beam is not uncomfortable for the eyes and has minimal glare effect.

Our Tallinn showroom also has a SmartGlow sample in use, which you can come see for yourself to confirm the top-level quality of this workstation light!
