

Recessed light PROLUMEN DL268 6 white round 230V 25W 2800lm 60° IP54 840

Product code 17737

Powerful and weather-resistant luminaire.

The IP54 protection class means that the luminaire is protected against normal dust and splashes from any direction.

The DL268 model is available from LED House with both DALI and TRIAC technology. This feature allows dimming of the light beam as needed.

The high colour rendering index maintains true and natural colours of objects and areas under the light, and for this model, you can choose a light temperature of either 3000K (warm white) or 4000K (daylight).

If you haven't found the perfect light fixture from our product range yet, then browse through the PROLUMEN catalogue as well!
