

Recessed light Prolumen DL97-5 white round 230V 18W 2070lm 90° IP54 DALI 940

Product code 17846

Recessed LED luminaire. Ideal for more humid spaces too!

Protection class IP54 means that the luminaire is protected against normal dust and splashes from any direction - this feature makes DL96 ideal for illuminating bathrooms and other more humid spaces.

This luminaire is suitable, for example, in shopping centers, bedrooms, conference rooms, classrooms, living rooms, kitchens, bathrooms, and many other spaces.

You can find this luminaire model in the LED House product range with both warm white (3000K) and daylight white (4000K) light. In addition, a dimmable version (DALI) is also available, allowing the user to adjust the brightness of the light beam as desired.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h).

For project sales, minimum quantity on order is required.
