Product code 17863

A street light that makes moving in urban spaces safe even in the dark of night!

It is perfect for driveways, streets, parking lots, and all other outdoor areas that need safe, affordable, and efficient lighting.

Protection classes IP66 and IK08 ensure the fixture's durability and long life in outdoor conditions. Additionally, the light is ideal for collaboration with security cameras - see the product specifications for more details.

Furthermore, the maintenance process of the light has been made exceptionally easy - allowing you to save on labor and time! This feature is ensured by the removable electric plate, which makes connecting wires during installation particularly convenient.
