

## **Solar panel Jinko Tiger Neo N-TYPE FULL BLACK 1762x1134x30mm black 440W IP68**

Product code 17917

FULL BLACK, meaning a completely black frame and panel. Jinko is a Tier-1 manufacturer whose products are made to high standards to ensure they last longer and generate plenty of solar energy. Modules are based on N-type technology.

The HALF-CUT panel structure ensures better efficiency under shading conditions (such as snow, dirt, or physical shade) compared to conventional panels.

More information in the product specification. Production efficiency guarantee is 30 years (at least 87.4% efficiency retention after 30 years compared to the initial).

|                       |   |
|-----------------------|---|
| Warranty              | 12 years  |
| Brand                 | Jinko   |
| Output                | 440W  |
| Protection class      | IP68  |
| Length                | 1762.0mm  |
| Width                 | 1134.0mm  |
| Height                | 30.0mm  |
| Panel area            | 2m <sup>2</sup>   |
| Specific power        | 220.2W/m <sup>2</sup>                                   |
| Weight                | 22000g  |
| In box                | 36pcs   |
| Casing colour         | black   |
| Casing material       | aluminum  |
| Work environment      | outdoor use   |
| Operation temperature | -40C- +85°C   |
| Certificates          | CE, IEC standard IEC 61215 / IEC 61730 / ISO 9001: 2015 |
