

Power supply LTECH 12V DC -60-12-U1D2 230V 60W DALI / PUSH

Product code 18141

LED power supply that provides reliable and stable output voltage. The device is compatible with multiple dimming interfaces, allowing smooth light adjustment without flickering. Its wide input voltage design ensures universal compatibility with various electrical systems, while high energy efficiency helps reduce power consumption.

The unit is equipped with multiple protection mechanisms, including overheating, overvoltage, overload, and short-circuit protection, ensuring safe and long-lasting operation. Additionally, it features soft start and dimming functions, enhancing visual comfort.

A compact and lightweight design with removable connection terminals allows flexible installation in different lighting systems. The device meets international safety and quality standards and comes with a long-term warranty.

Warranty	5 years
Brand	LTECH
Supply voltage	230V
Dimmable	DALI / PUSH
Output voltage	12V
Output	60W
Maximum output	60W
Rated current	5A
Length	293.0mm
Width	42.5mm
Height	30.0mm
Weight	285 g
In box	30pcs
Work environment	indoor use
Operation temperature	-20~50°C°C
Certificates	CE, ROHS
