Product code 18149

High-quality PROLUMEN ship light, possible to install both on the surface and hanging.

The light temperature can be set by yourself. There are buttons on the light that allow you to choose between 3000K (warm white), 4000K (daylight), or 5700K cool white light.

A high coluor rendering index CRI90 does not distort the true colours of objects under the light beam. Protection class IP44 means that the luminaire can also be used in damp conditions.

If you haven't found the perfect light fixture from our product range yet, then browse through the PROLUMEN catalogue as well!
