

## LED downlight PROLUMEN DL340A white 230V 15W 1563Im 36° IP40 940 Product code 18151

Modern matte white surface-mounted light.

The aluminum matte white body allows for easy adjustment of the light direction. The light fixture rotates within a 360-degree radius, and horizontally, the direction can be adjusted up to 90 degrees.

Its minimalist design blends perfectly with various interiors, whether at home, in the office, or in a business environment.

With an IP40 protection rating, this surface-mounted light is an ideal choice for home or office environments, providing warm white light at a temperature of 3000K.

Thanks to CRI90, the LED light fixture is capable of presenting colors in a natural way, contributing to the overall atmosphere and feeling of the room.

Upgrade the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
