

## Recessed light PROLUMEN DL326 black round 230V 6W 600lm 36° IP40 930

Product code 18167

Lifespan

**Energy class** 

Ultra-slim recessed LED downlight that provides a wide and uniform light beam. Its protected front panel makes it suitable for use even in humid environments. The fixture comes with an external driver, ensuring flicker-free illumination and compatibility with various dimming solutions. Its modern and compact design allows installation in different indoor spaces such as offices, shops, schools, hotels, and public areas. The luminaire offers an energy-efficient and long-lasting lighting solution for everyday use.
