

Aluminium profile LUZ NEGRA Milano Slim 2m silvery

Product code 18178

Luz Negra Milano Slim is a sleek and elegant LED profile designed for illuminating various surfaces such as walls, furniture, and shelves. Its minimalist design allows for a seamless and stylish lighting solution that blends harmoniously with any interior. The profile is made of high-quality aluminum, providing durability and an aesthetically finished appearance.

The product features a special diffuser system that ensures uniform light distribution and provides moisture protection. This makes the profile suitable for demanding environments, such as kitchens and bathrooms. Thanks to its smart mounting system, installation is quick and easy, allowing for a professional result with minimal effort.
