

Recessed light Prolumen Angers D145 black 230V 15W 1350lm 95° IP20 TRIAC 930

Product code 18241

Recessed LED ceiling light, ideal for commercial space lighting.

A higher than usual indicator, CRI90, ensures excellent color rendition and reflection of light colors. This luminaire model is available in both warm white (3000K) and daylight (4000K) options.

The luminaire is designed for indoor use only, with an IP20 protection class.

In LED House's selection, this model also comes with DALI and TRIAC dimming options!

Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
