

Aluminium profile LUMINES Type LARGO 3m white

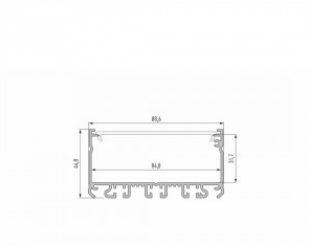

Product code 18294

An aluminium profile designed for the precise and visually refined installation of LED strips in various interior or furniture applications. The profile provides mechanical protection for LED strips and helps dissipate heat, thereby extending the lifespan of the light sources.

This profile enables a clean and uniform light line, especially when used with a diffuser. Thanks to its durable construction, it is suitable for both residential and commercial lighting solutions.

Brand	LUMINES
Length	3000.0mm
Width	88.6mm
Height	44.8mm
Casing colour	white
Casing material	aluminium
Polishing	matt
