Power track Unity 1F 2m white 230V

Product code 18352

The track lighting system is a modern and functional lighting solution.

One of the advantages of the system is the easy adjustment of light placement and the ability to add additional lights when needed.

The power supply and end cap are included in the set.

To assemble a complete lighting system, choose MAYTONI track systems and 1-phase luminaires.

Supply voltage 230V
