

Industrial light Prolumen Lens

Product code 18964

LED industrial luminaire, optionally with a motion sensor.

The luminaire's IP65 protection class means that it is protected against both fine dust and water jets.

The luminaire has a light temperature of 4000K, providing daylight-like illumination - the most suitable for work environments.

With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours).

Delivery from EU warehouse in 7-14 days.

You can find the best assortment of industrial lighting in the LED house product range!
